September 2010

Dear Brooke Parents,

Welcome back to a new and exciting school year! As a Brooke parent, you are automatically a voting member of the Brooke Home & School Association. We have many great events planned for the upcoming year and encourage your participation in our association. **Remember, children whose parents are involved in their education tend to do better in school.**

The Brooke Home & School Association meets on **the second Monday of each month** at 7:00pm to discuss educational topics and upcoming Brooke events. Be sure to check the Home & School website for all meetings and events information – **www.brookehs.net**.

DID YOU KNOW?

Home & School subsidizes class field trips (approx. \$6,000), provides funds for Reading is Fun (RIF) (approx. \$4,000), assists with funding for assemblies (approx. \$6,400), provides school t-shirts (approx. \$2,250) and many more educational opportunities and events for your children. Our goal this year is to raise \$40,000. Here are a few fundraisers that will help us to meet our goal:

Family Contribution Campaign – Contribute to the Home and School without buying or selling anything - \$95/per child. Please note: information regarding our fundraisers will still be sent home.

Dance-a-Thon – One of our biggest fundraisers of the year, scheduled for Friday, November 5th.
